

WWOTC PIPELINE

Company Insight and Professional Training Opportunities...

Join our Travelling Training Tour!

We're now accepting applications from those municipalities/companies that would like to host onsite, in-person training courses at their location this Fall/Winter!

Why host a WWOTC Travelling Training Tour event?

- It's a great way to get the training you want, when you want it, right at home - even if you only have a limited number of operators that need training.
- You can avoid the costs associated with sending operators out of town for training.
- Operators get fed a catered lunch.
- If enrollment in the event reaches an average of 10 students per day, you, as Host, will receive free tuition for one operator for the entire training event.

**Contact Chase Taylor at
ctaylor@wwotc.ca or 519-981-1504 to apply!**

EXAM PREP **TRAINING ONLINE**

WE HAVE ALL YOUR EXAM PREP TRAINING NEEDS COVERED! SEE PAGE 3 TO SEE WHEN OUR EXAM PREP TRAINING IS SCHEDULED! ALL TRAINING WILL BE DONE VIA INSTRUCTOR-LED WEBINARS - SO YOU CAN TAKE THE TRAINING FROM ANYWHERE AS LONG AS YOU HAVE WIFI!

****Pricing Update****
