Company Insight and Professional Training Opportunities...

HAPPY

New Year!

We hope you enjoyed the holidays and that you and those close to you are feeling refreshed and ready to tackle what's sure to be another...let's say "interesting" year!

As always, we will continue to do our very best to make your work life easier by providing easy-to-book, valuable training options to you and your team!

- The WWOTC Team

ONLINE REGISTRATION COMING SOON!

WWOTC has teamed up with Arlo, one of the world's leading training management software providers, to develop a customer-centred online registration system. With the new system, WWOTC customers will be able to register, transfer, pay, and get support with just a few quick clicks! Customers will also have 24/7 access to monitor the status of their training AND they will receive timely training reminders if they've registered for something!

CAREER MOTIVATION QUOTE:

"The meeting of preparation with opportunity generates the offspring we call luck."
